Dear Participants,

The time of our conference is approaching fast — and we simply can't wait to welcome you all in beautiful Kraków! We truly hope the weather will be kind to us (right now it's still a bit moody and chilly!). Below you'll find a few practical details to help you reach your hotel and prepare for the event.

Getting to the Hotel: Ibis Kraków Centrum *ul. Syrokomli 2, 30-102 Kraków*

From Kraków Airport (KRK):

By public transport:

- Take a train from the airport to **Kraków Główny (Main Station)** – about 20 minutes.
- Then take a bus in the direction of **Jubilat** (close to the hotel).
- From Jubilat, it's just a **5-minute walk** to Ibis Kraków Centrum.

Please note: due to ongoing roadworks in Kraków, some bus routes may be temporarily changed. If unsure, we recommend asking for assistance at the **Information Desk at Kraków Główny** — the staff speak English and will help you find the best route.

By taxi:

- A direct ride from the airport to the hotel takes about **20–30 minutes** and costs around **80–100 PLN**.
- We recommend using **official airport taxis** or trusted ride apps like **Bolt**, **Free Now**, or **Uber**.

Attachments: In the attachments to this message, you'll find:

- A **map** to help you navigate between conference venues
- The **conference programme**

Please take a moment to review the programme and make sure that:

- Your **name is spelled correctly**
- The **title of your presentation** is accurate
- You have **not been accidentally omitted** from the schedule

If you notice anything that needs correcting, don't hesitate to let us know, we'll be happy to fix it before the final print.

If you have any further questions or concerns, feel free to reach out by email.

We're doing our best to make your stay enjoyable and your participation as smooth as possible.

Looking forward to seeing you all very soon in Kraków!
